3. Ensure your child attends their tryout.
4. Let our competitive staff team coaches assess your child's ability to pursue competitive gymnastics.

DAY OF TRYOUTS

1. Arrive 15 minutes early to ensure you have the time to fill out the forms with email addresses and get your child ready to participate.
2. Parents will view tryout from viewing area.
3. There will be a brief parent information session with the Competitive Coordinator outlining the assessment process, the club structure and athlete expectations.
4. Tryouts will take approximately 30-60 minutes depending on attendance.
5. Parents will be contacted by email about athlete placement in TPGC programs approximately **7-10 days after tryouts**. If parents would like more information on the placement of their child, they can contact Program Coordinator, Karl McPherson, at comp@terracepeaks.ca.

PARENT COMMITMENT TO COMPETITIVE PROGRAMS

Terrace Peaks Gymnastics Club is a non-profit organization that has been serving this area since the 1970s. Competitive athletes train September to August. All competitive families are required to pay monthly fees, complete volunteer hours and meet fundraising commitments. Fees, hours and volunteer totals are based on the number of hours your child trains. All commitments are manageable and we help families by providing lots of options for completion.
